**JUDGMENT**

Defendants' motion for summary judgment to cancel the trademark registration on the basis of abandonment and assignment in gross is GRANTED. Trademark Registration No. 2,073,287 is ordered CANCELLED. As the claims asserted in Plaintiff's First Amended Complaint rely solely on the '287 Registration, Defendants' motion for summary judgment as to Plaintiff's remaining claims is GRANTED. Defendants' counterclaim remains.

DATED: April 7, 2004

Nora M. Manella  
United States District Judge
